-----	"Coins Of The World. Ancient And Modern. The Collection Of John Story Jenks." Dec. 7 - 17, 1921. 653 pp., 7,302 lots, 42 original full page photographic plates. Without a doubt, the finest cabinet of coins ever sold at unreserved public auction. And, as a tribute to this magnificent collection, Henry Chapman prepared what is still considered today to be the finest catalogue yet issued. The catalogue offered here is one of only about 75 prepared containing the 42 plates, and is surely one of the nicest to come on the market in some time. It has been estimated that, perhaps, less than half of the original plated copies are still in existence. Bound in white cloth and boards with gilt lettering. A fitting tribute to the finest numismatic library. 4to.....	\$4,250.00
